2. Then the king said bring me sons of **Israel**
Daniel, Hananiah, Azariah, **Mishael**

I'll change your names and give you **lots to learn**
I'll make you forget about the **God you serve**

But Daniel trusted God
But Daniel trusted God

3. The king wanted the Hebrews to **eat his food**
And without a doubt it surely would have **tasted good**

But they knew the meat had been to **idols served**
And the wanted to worship only God as **He deserved**

So Daniel trusted God
So Daniel trusted God

CHORUS:
We have made up our minds
To live our lives the way that God designs
We'll stand up true with the faithful few
No matter what others might say or do
We have made up our minds
We have made up our minds
We have made up our minds
